Private Yacht Tour

Galeon 53 2022

The vessel's specifications include:

- 2 cabins and 2 bathrooms
- Fully equipped kitchen with a 4-burner stove, microwave, and refrigerator.

It features a spacious interior salon and a large aft deck with a sundeck that rotates to face the sea, as well as a sundeck at the bow.

The yacht has an audio system where you can connect your phone via Bluetooth or cable.

This yacht has the unique feature of expanding its living areas by transforming into a side area with comfortable beds, while the other side transforms into a bar with stools facing the interior of the yacht and offering a direct view of the sea.

The crew consists of a captain and 2 sailors. Maximum capacity is 10 people (including children and infants).

The basic route for this yacht is in the bay between Cancun and Isla Mujeres.

Private Yacht Tour

Azimut 51 pies Atlantis 2023

The vessel's specifications include:

- This is a luxury sport yacht, 16.18 meters (approximately 53 feet) in length, renowned for its versatile design with a retractable hardtop and excellent living space.

- 3 cabins (master, VIP, and guest) and ample relaxation areas.

- Designed for 6 overnight guests.

Exterior:

- Hydraulic swim platform.

- Sun decks at the bow and stern, and a tender garage.

Design:

- Hardtop with electric sunroof, outdoor galley, and flexible dining areas ("cockpit").

- Bright interior with large windows, combining a sporty style with high family functionality.

Private Yacht Tour

D Antonio D42

The vessel's specifications include:

- This is a luxury sport yacht.

-Measuring 12.64 meters in length (approximately 42 feet) and 3.99 meters in beam, this vessel is characterized by its walk-around design and concealed outboard engine.

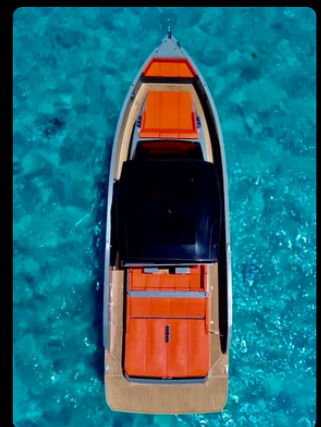

-It offers one double cabin (configurable to two), capacity for up to nine passengers, and cruising speeds of 28 to 46 knots, depending on the engine.

-Design: Walk-around style with spacious decks, sunbathing areas at the bow and stern, and an outdoor galley.

-Cabins: One master cabin + one convertible saloon (or two separate spaces).

-Innovation: Concealed outboard engine system at the stern.

Equipment: Hydraulic swim platform, central tender garage, and rigid hardtop.
